

PK INNOVATIVES

Letter of Offer

Date: 15/03/2022

Place: **Chennai**

Dear Saktheeswaran,

Congratulations on being as intern at **PK Innovatives**. Among the many students that we received for this position, yours stood out for the admirable multitasking skills. The internship shall be effective for 3 months.

During this internship period, you will be reporting to **Pravin Kumar P**, and you will be assigned projects that improve your understanding in the field of IT. You might also be asked to work on a few other assignments, as per the needs of the organization.

You will be provided with the required guidance and support from our team.

I would like to take the opportunity to wish you all the very best in this role and say that I look forward to welcoming you to the team.

Pravin kumar P
